Client Testimonials

“I have been loving my help so far. My consultant [Dr. Herman Gordon] has been very helpful and knowledgeable.”

“I wanted to share my exciting news! I will be attending the University of Washington School of Medicine! I received an email from the dean of admission stating that I am awarded [a hefty scholarship]. I'm feeling blessed and excited right now :)

I want to thank you [Alicia] for your support throughout my application. This was such a challenging process for me, but your patience and editing knowledge allowed me to express my passion for medicine.”

“Hello Cydney, Wow! I am so impressed. You are a GENIUS! I can’t believe how well you managed to cut my essay in half without compromising my tone or eliminating the little stories! Thank you, thank you, thank you. I could not have done it without you. There are 17 more hours left till the application is due, and I am not stressed at all because I know I have you by my side with this essay!”
